Congratulations to our Game Day Competition Squad

Normally they have months to prepare for the in person National Competition but this year due to Covid they only had weeks to prepare for a virtual National Competition. They worked really hard and it has paid off. They received 1st place in the Super Large non tumbling Game Day division. Bringing the title back to Washington State. In 2019, Mt Si also placed 1st in Nationals for their Game Day routine. And last year the team placed 1st in Worlds for their traditional routine.

We have a new JV Sideline Coach. Help us welcome Steph Cowan to Mount Si!
